SCHOOL OF MANAGEMENT SCIENCES

LUCKNOW

Welcome to The World of SMS

Recognizing the increasing demand for capable and well trained professionals equipped with strong business acumen, relevant skills, and the aptitude to navigate a rapidly evolving economic and industrial landscape, the SMS Society and altruistic organization registered under the societies Registration Act, 1860- established the School of Management Sciences (SMS), Lucknow as an autonomous, non-profit educational institution. School of Management Sciences, Lucknow has received A+ grade accreditation from - National Assessment and Accreditation Council (An Autonomous Institution of the University Grants Commission) Ministry of HRD Govt. of India in a very short span of 10 years. SMS is the only Institute and the youngest to have A+ Grade in Lucknow among the colleges offering Engineering and Management Courses and 4th in U.P. in the same category. It means that SMS Lucknow has instituted quality assurance methods in teaching, research and support services, and have built procedures for its maintenance.

SMS Lucknow also is recognised under section 2(f) & 12(B) of UGC at 1956

CISCO Networking Academy @ SMS Lucknow

CISCO is worldwide leader in networking for the Internet. Cisco Systems shipped its first product in 1986 and is now a multi-national corporation, with over 35,000 employees in more than 115 countries. Today, Cisco solutions are the networking foundations for service providers, small to medium business and enterprise customers which includes corporations, government agencies, utilities and educational institutions. Cisco's networking solutions connect people, computing devices and computer networks, allowing people to access or transfer information without regard to differences in time, place or type of computer system. So as you explore the possibilities for your business, start at the beginning. Cisco Systems built the Internet so we know exactly what it takes to get your business online. Take advantage of our experience and knowledge to get the Internet working effectively for your business. CISCO provides wide range of networking certifications that includes CCENT, CCNA, CCNP, CCIE etc.

Authorised Exam Centre

To help students of higher education to learn English and prove their skills to the world, SMS Lucknow has become an Authorised Exam Centre for Cambridge Assessment English.

Microsoft Visual Team Services

Microsoft Visual Studio Team Services (VSTS) is a new cloud-based offering which helps the project teams to take care of all the aspects of the process for software development. Visual Studio Team Services (VSTS) is an online hosted service from Microsoft. The best part of VSTS is that you don't need to install anything, you can either go for a pay-as-you-use or the free 5-user license via the visual studio website. VSTS is now renamed as Azure DevOps!

Comptia Learning Center

The Computing Technology Industry Association (CompTIA) is a not-for-profit association which offers a wide range of professional certifications for the IT industry. The organization's motto is "Advancing the global IT industry" and they strive to give the best. Their range of courses are widely acclaimed which include CompTIA A+, CDIA+ Linux+, Network+, Project+, Security+, Server+, Strata. These give a leading edge for IT professionals in their career.

ETS Testing Center

Educational Testing Service (ETS), founded in 1947, is the world's largest private nonprofit educational testing and assessment organization. ETS develops various standardized tests primarily in the United States for K-12 and higher education, and it also administers international tests including the **TOEFL (Test of English as a Foreign Language)**, **TOEIC (Test of English for International Communication)**, **Graduate Record Examination (GRE) General and Subject Tests**, **HISSET** and **The Praxis test Series** - in more than 180 countries, and at over 9,000 locations worldwide. Many of the assessments it develops are associated with entry to US tertiary (undergraduate) and quaternary education (graduate) institutions, but it also develops K-12 statewide assessments used for accountability testing in many states, including California, Texas, Tennessee, and Virginia. In total, ETS annually administers 20 million exams in the U.S. and in 180 other countries.

Pearson Test Centre

Pearson Test for English (PTE) is a world-leading provider of secure English language tests.

It provides secure English language testing for study applications worldwide, and for visa applications for work and migration in Australia, the UK, and New Zealand.

Mentza AI Tool

Mentza:- AI tool for interview mastery and job skills - Mentza is an advanced AI-powered platform focused on interviewing excellence, professional mastery, and job skill development. It enables users to practice interviews in realistic scenarios, receive personalized and date-driven feedback, & strengthen core competencies required in today's competitive job market by combining intelligent assessment with targeted skill-building. Mentza supports individuals in improving confidence, performance, and overall career readiness.

Collaborations for **INDUSTRIAL VISIT**

The interaction between academic institutions and industry serves as a key platform for showcasing best practices, cutting-edge technological advancements, and their implementation and impact on the sector. The primary goal of this collaboration is to integrate industrial training and industry inputs into the teaching and learning process. Such interaction is vital for developing students' awareness of job roles in the industry, fostering adaptability to the industrial environment, and equipping them with the practical knowledge, skills, and competencies needed to become self-employed. Additionally, this collaboration helps address industry expectations, especially regarding the preparedness of new recruits who are anticipated to be well-versed in industrial disciplines, job roles, and workplace practices. In this context, SMS Lucknow actively engaged in the following initiatives:

- ZF CVCS India Ltd.
- Britannia Industries
- Dabur India Ltd.
- Steelbird International Ltd.
- STP Bharwara
- Govind Industries Pvt. Ltd.
- Amul Dairy
- Karam Industries
- Parag Dairy
- Gyan Dairy
- Britannia Industries
- TCS
- Arun Soil
- SoftPro India Pvt Ltd
- Software Technology Park

Institute INDUSTRY INTERFACE

Collaboration between educational institutions & industry serves as an essential mechanism for demonstrating modern technologies and their practical application. This partnership aims to integrate industrial expertise with academic instruction, ensuring that students gain relevant knowledge, skills and competencies. Through such engagement, students acquire an understanding of workplace roles, develop appropriate professional attitudes, and prepare for self employment. Moreover, industry expectations regarding new employees such as familiarity with industrial procedures, job responsibilities, and professional conduct are effectively communicated through continued interaction.

Preparing For Corporate World

SMS Lucknow, acknowledging the present employability scenario for engineering & management students, has implemented a dedicated curriculum referred to as the employability enhancement Programme (EEP). This semester wise programme aims to effectively reduce the gap between academic learning and industry required skills. The EEP has been carefully planned in accordance with contemporary industrial benchmarks.

- Technical Knowledge/ Business Awareness
- Spoken English/ Communication Skills
- Dress Sense/ Appearance
- Body Language
- Positive and Constructive Attitude
- CV/ Resume Preparation
- Group Discussion/ Debate, Extempore, Public Speaking, Impromptu
- Personal Interviews
- Effective Presentations

We have partnered with esteemed institutions such as IBM, alongside various expert training providers, to deliver advance technological training in areas like Cloud computing, NET, SOLID WORKS, and CNC machining. The unified Employability Enhancement Program (EEP) remains committed to fostering the holistic growth of each student, preparing them for successful careers in industry and corporate environment. To accomplish this goal, the faculty and staff at SMS Lucknow are tirelessly committed and fully devoted to excellence.

COMMENDATIONS

- नवाचार का बेहतरीन प्रदर्शन देखने को मिला। देश की समृद्धि, विकास एवं आर्थिक उन्नयन तथा नागरिकों के जीवन को आसान बनाने के लिए ऐसे कार्य करते रहें। हार्दिक शुभकामनाएँ।
